

A Note from Mrs Steel & Mrs McCue

Dear Parents,

Wintry weather

As we approach the season of Wintry weather, please be advised that where there are possibilities of school closures, a message will be left on the school telephone line (severe weather) as early as possible in the morning and also on the Aberdeenshire Council website. Information is also cascaded via local radio stations. Please note that the decision to close a school is not taken lightly.

Our telephone line details are: 0870 054 4999
Pin: 022190

Where the school is closed, pupils are asked to try and undertake school linked activities at home and details will be issued about this separately.

Please also be aware that Janitorial staff also have the responsibility for clearing snow from a path to the school/de-icing and will do this as soon as possible in the morning.

Many thanks.

Gaynor Steel & Lynne McCue
